

SERVICE PATHWAY

DEVELOP LEADERS AND CAPABILITIES

Executive Mentoring, Leadership Development & Practitioner Coaching

Practical, confidential guidance that helps leaders strengthen judgment, increase impact and turn experience and learning into sustainable performance.

The value I provide

I mentor executives, CFOs, finance leaders, managers, transformation professionals and business owners who want to lead with greater clarity, confidence and impact. My approach is grounded in more than 35 years of real leadership, advisory, mega-project and transformation experience. We work with the person's actual decisions, stakeholders, teams and delivery challenges—not generic motivation.

Who I support

CFOs & finance directors

Executive presence, strategic partnership, team leadership and transformation.

Executives in transformation

Judgment, alignment, resilience, governance and implementation discipline.

SME & family-business owners

Financial visibility, delegation, governance and leadership decisions.

Emerging finance leaders

Transition from technical specialist to influential enterprise leader.

Project & PMO leaders

Commercial awareness, reporting, risk judgment and cross-functional leadership.

Teams & high-potential talent

Applied learning, accountability, collaboration and capability transfer.

Challenges I help address

- Stepping into a CFO, finance-director or broader executive role with unfamiliar expectations.
- Building executive presence, influence and credibility with Boards, CEOs and senior stakeholders.
- Moving from technical expertise to strategic judgment, delegation and enterprise leadership.
- Leading teams through change, resistance, uncertainty or complex transformation programmes.
- Handling difficult conversations, competing priorities and decisions without complete information.
- Converting training, qualifications and experience into practical workplace impact and career progress.

How I can help

Executive mentoring

Confidential, goal-based guidance for senior leaders and high-potential professionals.

Leadership development

Decision-making, influence, communication, delegation, teams and succession.

Transformation coaching

Support for sponsors, PMO leaders and teams navigating organizational change.

Career positioning

Professional identity, role readiness, development priorities and action planning.

CFO readiness journey

Structured development toward enterprise finance and executive responsibility.

Practitioner coaching

Live application to finance, governance, performance, systems and transformation issues.

Workshop + application

Focused learning followed by coaching, feedback and implementation support.

Owner leadership mentoring

Support for founders and family-business leaders strengthening governance and delegation.

Expected value and outcomes

- Clearer executive judgment and greater confidence in difficult decisions.
- Stronger communication, influence and credibility across senior stakeholders.
- Better delegation, accountability, team performance and succession readiness.
- Improved ability to lead change while balancing people, governance and delivery.
- A practical development plan connected to real responsibilities and measurable behavior.
- Greater independence: insight becomes repeatable leadership capability, not dependence on the mentor.

My approach

Diagnose the context → agree a small number of high-value outcomes → apply learning to live work → reflect and challenge assumptions → sustain progress through an action and accountability rhythm. Confidentiality, cadence, success measures and organizational sponsorship are agreed at the outset.

Credibility behind the mentoring

My mentoring draws on executive advisory exposure, leadership of finance teams and multidisciplinary stakeholders, major capital programmes, government and organizational transformation, ERP and analytics delivery, governance, audit and professional capability building across Qatar, the UAE, Saudi Arabia and Egypt. More than 2,500 professionals have participated in my training and capability-building activities over approximately ten years, subject to the supporting evidence schedule.

Ways to engage

One-to-one executive mentoring • CFO readiness programme • Leadership-team coaching • Transformation coaching • Applied finance mentoring • Workshop plus implementation coaching
